25X1A

[redacted] Comment: The former Locomotive Plant of the Berlin Machine Works in Wildau no longer belongs to VVB Lwa (Federation of People-Owned Enterprises for Locomotive and Railroad-Car-Construction), but has become an enterprise of the VVB ABUS (Equipment for Mines and Heavy Industry), and now mainly manufactures equipment for rolling mills and mining machinery.

25X1A

This photostated document contains miscellaneous industrial information, as follows:

1) Four charts showing the organizational setup, both administrative and technical, (of enterprises belonging to VVB Lwa, according to [redacted] comment; however, this is not indicated on the original document) for a large-scale plant, a VVB (Federation of People-Owned Enterprises) a medium-sized plant, and a small plant.\*

25X1A

2) Floor plan, dated 8 May 1945, of the former Schwartzkopff Locomotive Plant of the Berlin Machine Works, in Wildau, which shows the utilization of floor space for the various workshops, storage areas, etc. Railroad connections to the plant are also shown.

3) Letter, dated 10 August 1945, from Reehle, mayor of Wildau, to the Landrat (executive official) of Kreis Teltow. The letter gives instructions and proposals for the conversion of industries in Wildau to peacetime production, as directed by the Commander-in-Chief of the Soviet Occupation Forces in Germany, Marshal Zhukov. Three industries are discussed in detail: the former Schwartzkopff Locomotive Plant of the Berlin Machine Works, the AEG (German General Electric Company) Airplane Factory, and DEGUSSA (German Gold and Silver Refinery).

25X1A

25X1\* Similar organizational charts [redacted] will be published by FDD, Project No. 13145.

[Foreign language document or microfilm of it (No. C-10231) is available from CIA library,
